

Listing of the Claims:

The following listing of Claims will replace all prior versions and listings of Claims in the Application.

Claims:

1. (Previously presented) A method for alleviating pain or spasticity in a patient suffering from spinal cord injury, said method comprising the step of administering to the patient an effective amount of sildenafil or a pharmaceutically acceptable salt thereof sufficient to alleviate the pain or spasticity.
2. (Previously presented) The method according to claim 1, wherein the sildenafil or a pharmaceutically acceptable salt thereof is administered orally.
3. (Previously presented) The method according to claim 1, wherein the effective amount of sildenafil or a pharmaceutically acceptable salt thereof is 5 to 500 mg per day.
